PROFILE

Fullstack developer currently pursuing a Technical Degree in Software Development, with hands-on experience building modern web applications using React, Next.js, TypeScript and PostgreSQL. Trilingual: English, Italian and Spanish. Freelance experience and seeking my first formal position as a developer.

WORK EXPERIENCE

Frontend Developer (Freelance) – Koble

Feb 2025 – Mar 2025 · Santa Fe, Argentina · Freelance (Business Consulting / Digital Transformation)

Corporate landing page built with Next.js and CSS Modules, optimized for conversion. Implemented contact form with email notifications and SEO improvements.

Frontend Developer (Freelance) – CYC Soluciones Legales

Mar 2025 – Apr 2025 · Santa Fe, Argentina · Freelance (Legal Services)

First professional website for a law firm, built with Next.js and Tailwind CSS. Delivered a responsive design with contact form, reusable components and SEO-friendly structure.

PROJECTS

Online Collaborative Text Editor

Fullstack application inspired by Google Docs, built with Next.js, TypeScript and PostgreSQL. Includes real-time collaboration, user authentication, projects and groups.

E-commerce Simulation

Fullstack e-commerce platform with product catalog, filtering, admin panel and infinite scroll. Developed with Next.js, TypeScript and PostgreSQL, focused on product management and CMS functions.

SKILLS

- Frontend: React, Next.js, TypeScript, Tailwind CSS
- Backend & Databases: PostgreSQL, Supabase
- Programming Fundamentals: C++, Java (basic knowledge)
- Other: Git, Responsive Design, SEO best practices

EDUCATION

Technical Degree in Software Development – IES (Instituto de Estudios Superiores)

2025 – Present · Santa Fe, Argentina

Focus on modern software engineering: web and mobile applications, databases, and IT project management.

Fullstack JavaScript Bootcamp – CódigoFacilito

Oct 2024 – Jan 2025 · Online

12-week intensive program (36+ hours) covering React, Next.js, TypeScript, PostgreSQL, authentication and deployment.

High School Diploma – Dante Alighieri School

2019 · Santa Fe, Argentina

Bilingual education (Spanish–Italian). Obtained PLIDA B2 certification in Italian.

LANGUAGES

Spanish (Native) · English (Advanced – B2+) · Italian (Intermediate – B2, PLIDA Certification)
